# Livestock Consignment and Reverse (Dutch) Auction Description, Rules, and Conditions

---

## Livestock Consignment Booth

In recognition that not all livestock producers have sufficient stock, time to stay, and/or display livestock and hatching eggs with their own vendor booth, the **Homestead Show & Market** will feature a limited consignment market booth run by the "**Event Facilitators**."

Up to 200 pre-booked "lots" will be available on a "*first-come, first-serve*" only basis. All health and vendor conditions will need to be met by the consignor. All livestock will need to be dropped off, health-checked, and displayed by end of the day Friday (8:00 pm, June 9<sup>th</sup>). It is the responsibility of the consignor to properly indicate all breed, age, and important information on the livestock lot. Misrepresented, unhealthy, or insufficient caging of livestock will be turned away. It is also the responsibility of the consignor to price the lot accordingly for market hours; the Event Facilitators will not be responsible for or entitled to adjust pricing of any lots. Lot prices will be set at time of consignment only. There is no restriction on the number of lots consigned by any one individual.

## Market conditions

The second day of the Homestead Show & Market opens at 10:00 am on Saturday June 10<sup>th</sup>. Any potential customers will be able to, on a first-come, first-serve basis, view and purchase a consigned lot for the specified price at the consignment booth. From 10:00 am to 12:00 pm, lot prices are static and will not be changed. At 12:00 pm, **ALL** remaining lots will be decreased in price by 10% of the original posted prices every 30 minutes to a minimum of 80% off or \$5.00 per lot by end of Sale day at 4:00 pm. Customers can pick up the lot and agree to purchase at the posted price at any time during the Reverse Auction.

### **Consignment Costs and Payment:**

Minimum consignment cost will be **\$5.00/Lot OR 15% of final sales price** (whichever is higher). Consignors will receive payment, less fees with lot receipts within two weeks of the Homestead Show & Market by mail (Canada Post).

### **Remaining livestock after the Reverse (Dutch) auction concluding the sale close:**

All remaining, unsold livestock from the Reverse Auction will become the property of the Event Facilitators. Consignors who wish to retain ownership of consigned items can make arrangements for purchase of the livestock back from the Event Facilitators at the conclusion of the sale for the minimum \$5.00 bid and consignment price.

## Non-livestock Consignments?

While the consignment booth is targeted towards livestock, individuals who wish to promote their products, but for reasons such as listed prior and are unable to put in a booth, may also do consignments. These non-livestock consignments are subject to market conditions and costs/payments, excluding the "health-checks."

## Where Do I Send My Consignment Form?

Completed Consignment Forms can be dropped off on June 9<sup>th</sup> at the Homestead Show & Market, prior to 8:00pm. Forms can also be scanned and emailed to [dunroaminhollow@gmail.com](mailto:dunroaminhollow@gmail.com). An e-fillable form is available upon request. It is appreciated if a note expressing interest in consigning items could be sent to the fore mentioned email address prior to June 9<sup>th</sup>. Remember it is first-come, first-serve!

The Homestead Show & Market will be held at Midnight Stadium on the western edge of Fort Macleod at 50 Barracks Trail.
